

H1 20XX Transparency Report

Reporting Period	Published	Report #	Next Report Due
[Month Year] – [Month Year]	[Publication Date]	[e.g. Vol. 1, No. 1]	[Approximate Date]

A note from the founder

At knowme, transparency isn't a legal obligation — it's a reflection of who we are. This report covers everything that happened on our platform during this period: how we moderated content, how we protected user privacy, what legal requests we received, and how the community grew. We publish this because our users deserve to know exactly how their community is being run. [ADD YOUR PERSONAL NOTE HERE — what happened this period, what you're proud of, what you're working to improve]

[Your Name], Founder & CEO, knowme

1. Platform at a Glance

A snapshot of community size and activity during this reporting period.

Metric	This Period	Previous Period	All Time
Verified users (total)	[#]	[#]	[#]
New signups	[#]	[#]	—
Daily active users (avg)	[#]	[#]	—
Questions published	[#]	[#]	[#]
Total votes cast	[#]	[#]	[#]

Total replies posted	[#]	[#]	[#]
7-day retention rate	[%]	[%]	—
Countries represented	[#]	[#]	[#]

2. Content Moderation

knowme uses a layered moderation system: AI pre-screening on every reply, community flagging, and human review for borderline cases. Here is a full account of how that system performed this period.

2a. AI Screening Results

Outcome	Count	% of Total	Notes
Auto-approved	[#]	[%]	Published immediately
Sent for human review	[#]	[%]	Borderline content, held pending review
Auto-blocked	[#]	[%]	Clear violations, not published
Total replies screened	[#]	100%	

2b. Removal Reasons

Of content that was removed (auto-blocked or removed after human review):

Reason	Count	% of Removals
Hate speech or harassment	[#]	[%]
Profanity / low-quality content	[#]	[%]
Misinformation	[#]	[%]
Spam or self-promotion	[#]	[%]
Off-topic	[#]	[%]
Other / uncategorized	[#]	[%]

Total removals	[#]	100%
----------------	-----	------

2c. Community Flags & Human Review

Metric	Count
Total community flags submitted	[#]
Unique replies flagged	[#]
Replies auto-hidden (3+ flags)	[#]
Human reviews completed	[#]
Avg. time to human review	[# hours]
Reviewed → approved (reinstated)	[#]
Reviewed → removed	[#]
Appeals received	[#]
Appeals upheld (content reinstated)	[#]

3. Account Integrity & Verification

Every knowme account is tied to a verified phone number. This section reports on our efforts to keep the community real and duplicate-free.

Metric	Count	Notes
Successful phone verifications	[#]	New accounts successfully verified
Verification attempts rejected	[#]	Invalid or undeliverable numbers
Duplicate account attempts blocked	[#]	Number already registered to an account
Suspected bot/fraud attempts	[#]	Flagged by velocity or pattern detection
Accounts suspended	[#]	Policy violations

Accounts permanently banned	[#]	Severe or repeat violations
Successful ban appeals	[#]	Accounts reinstated after appeal

4. Government & Legal Requests

We take user privacy seriously and scrutinize every legal request we receive. We will always notify users of requests about them unless legally prohibited from doing so.

Request Type	Received	Complied	Rejected/Challenged	Pending
Law enforcement data requests	[#]	[#]	[#]	[#]
Court orders / subpoenas	[#]	[#]	[#]	[#]
National security requests	[#]	[#]	[#]	[#]
Content removal requests (govt)	[#]	[#]	[#]	[#]
Copyright / DMCA takedowns	[#]	[#]	[#]	[#]
Total	[#]	[#]	[#]	[#]

User notification: of the requests we complied with, we notified [#] users in advance. We were legally prohibited from notifying users in [#] cases.

5. Privacy & Data

Metric	Count
User data deletion requests	[#]
Deletion requests fulfilled (avg. # days)	[# days]
Data export requests (right to portability)	[#]
Privacy policy updates issued	[#]
Security incidents / data breaches	[#]

Users notified of incidents	[#]
-----------------------------	-----

6. Our Commitments

These are things knowme will never do, regardless of commercial pressure or outside requests. We include them in every transparency report as a public, recurring pledge.

	We will never sell user data	Your personal data will never be sold to third parties for advertising or other purposes.
	We will never run ads	knowme is ad-free.
	We will never use dark patterns	We will never use dark patterns to trick you into deleting your account or giving us more data.
	We will never manipulate your feed algorithmically for engagement	Questions are answered by humans.
	We will always publish this report	Twice a year, on the 1st and 7th of May.
	We will always fight overbroad legal requests	We will push back against overbroad legal requests.

7. What We're Working On

Transparency means being honest about what isn't perfect yet. Here's what we're actively improving.

<i>[FILL IN: List 2-4 honest things you're working to improve. Examples: • Reducing false positives in AI moderation — some legitimate replies are being held for review unnecessarily • Improving human review response time — our target is under 1 hour, current average is [X] hours • Expanding moderation coverage to [languages, regions] • Building a more robust appeals process]</i>

8. Contact & Feedback

Channel	Address / Link	Response Time
General transparency questions	<i>transparency@knowme.app</i>	<i>[X business days]</i>
Law enforcement requests	<i>legal@knowme.app</i>	<i>Per legal obligation</i>
Privacy & data requests	<i>privacy@knowme.app</i>	<i>[30 days]</i>
Report a bug or safety issue	<i>security@knowme.app</i>	<i>[24–48 hours]</i>
Full guidelines & policies	<i>knowme.app/guidelines</i>	—
